

ELIGIBILITY CRITERIA

- ❖ Home or farm being improved must be on Jackson Electric Cooperative's lines. Active membership only.
 - ❖ Rebates are in place through December 31, 2026, or until funds are depleted. **Availability of rebates and incentives is subject to change without notice.**
 - ❖ All documentation listed must be submitted no later than **60 days after completed**. If submitted after December 31, 2026, improvements will be considered for the 2027 incentive if offered. Members are encouraged to submit as soon as possible to ensure rebate.
 - ❖ Audit must be performed by a certified Home Performance Auditor, certified Energy Manager, or a cooperative-approved partner. Please contact Jackson Electric Cooperative for auditor verification.
 - ❖ **Cost of Audit Incentive:**
 - ✓ Not to exceed 50% of the cost of energy audit, up to \$200.
 - ✓ **Must complete Audit Recommended Improvements** to receive cost of audit incentive.
 - ❖ **Audit Recommended Improvements Incentive:**
 - ✓ Not to exceed the cost of energy efficiency improvements, up to \$500. Cost can include material and professional labor. The cost of the audit cannot be included.
 - ✓ Improvements must be completed within 24 months of the audit date.
 - ❖ **Required documentation**
 - ✓ This rebate form;
 - ✓ A copy of your receipt or paid invoice for the Energy Audit with audit cost and completion date highlighted; copy of your receipt or paid invoice for each audit recommended improvement, with the purchase price and date of purchase highlighted;
 - ✓ Copy of the audit documentation/report (must be a comprehensive audit including a written report);
 - ✓ Documentation showing improvements have been completed;
 - ✓ Submitted no later than **60 days after improvements are completed**.
 - ❖ The audit report must indicate the improvement will result in electrical or delivered fossil fuels (LP, oil) reduction or efficiency.
 - ❖ If another rebate is available, the audit recommended improvement will qualify for only that rebate. For example, if an auditor recommends purchasing an Energy Star refrigerator, the refrigerator will qualify for our Appliance rebate, not the Audit Recommended Improvements rebate.
 - ❖ Each member account qualifies for only 1 Cost of Audit and Audit Recommended Improvement incentive every 5 years, regardless of the number of audits performed and regardless of the number of measures implemented.
 - ❖ Additional eligibility criteria may apply. Program is subject to change or cancellation without notice. Contact cooperative for details.
- Submit required documentation to: Jackson Electric Cooperative, N6868 County Road F, Black River Falls, WI 54615**
