

ELIGIBILITY CRITERIA

- ❖ Home or farm being improved must be on Jackson Electric Cooperative's lines. Active membership only.
- ❖ Rebates are in place through December 31, 2022, or until funds are depleted. **Availability of rebates and incentives is subject to change without notice.**
- ❖ Rebate not to exceed the cost of energy efficiency improvements, up to \$500. Cost can include material and professional labor. The cost of the audit cannot be included.
- ❖ Energy efficiency improvements must be recommendations from an audit arranged by Jackson Electric Cooperative or a cooperative approved partner. Please contact Jackson Electric Cooperative for auditor verification.
- ❖ To qualify, the audit must be a comprehensive audit including a written report.
- ❖ The audit report must indicate the improvement will result in electrical or delivered fossil fuels (LP, oil) reduction or efficiency.
- ❖ If another rebate is available, the audit recommended improvement will qualify for only that rebate. For example, if an auditor recommends purchasing an Energy Star refrigerator, the refrigerator will qualify for our Appliance rebate, not the Audit Recommended Improvements rebate.
- ❖ Improvements must be completed within 24 months of the audit date.
- ❖ Each member account qualifies for only 1 Audit Recommended Improvement incentive every 5 years, regardless of the number of audits performed and regardless of the number of measures implemented.
- ❖ Additional eligibility criteria may apply. Program is subject to change or cancellation without notice. Contact cooperative for details.
- ❖ All documentation listed below must be submitted no later than 60 days after improvements are completed. If submitted after December 31, 2022, improvements will be considered for the 2023 incentive if offered. Members are encouraged to submit as soon as possible to ensure rebate.
 - ✓ This rebate form;
 - ✓ A copy of your receipt or paid invoice for each improvement, with the purchase price and date of purchase highlighted;
 - ✓ Copy of the audit documentation; and
 - ✓ Documentation showing improvements have been completed
